

# BIT INSPECTION TECHNOLOGY

NDT Training & Examination Centre

(BINDT authorized training (ATO) and qualification body (AQB) for PCN scheme)

# ABOUT BIT

BIT Inspection Technology” is formed by eminent professionals possessing PCN / ASNT NDT LEVE L-III Certification in RT,UT,PT,MT,VT & ET NDT Methods, certified Senior Welding Inspector CSWIP3.2, AWS-SCWI with Specialization in effective training techniques, performance optimization, Third Party Inspection and Career Counseling. Our NDT and welding inspection Training Center is equipped with adequate infrastructure to provide both theoretical and Hands on training in NDT methods and QA/QC Activities involved in the organization.

BIT Inspection Technology focus with sincerity and authentic approach in giving new dimension to NDT / Welding Inspection Training. Bit inspection technology is approved by British Institute of Nondestructive Testing (BINDT) as Accredited Training Organization (ATO) and Authorized Qualifying Body for PCN NDT training and certification. BIT Inspection technology is authorized to impart training & certify NDT Personnel to BINDT PCN Scheme which complies with ISO 9712 requirements.

Beside training, we as well developed and fabricate below listed blocks comply with client and code requirements: -

- Training and Mock-up Test Specimens- MT, PT, UT, VT, PAUT, TOFD specimens with Real Flaws( Welding, Casting, Forging)
- Calibration Block- V1 Block, V2 Block, Step wedge, BS EN ISO 19675 PAUT block
- Reference Blocks - ASME V Non piping Figure T-434.2.1 blocks, ASME V Piping Figure T-434.3-1 blocks and BS EN ISO blocks fabrication in accordance with code and client requirements.
- Demonstration/Validation block- ASME V Demonstration/Validation blocks for procedure qualification
- Radiographic Interpretation films.

We also providing consultancy in developing welding procedure and welder qualification: -

- Developing proposed welding procedure specification (WPS)
- Welding procedure qualification Record (PQR)
- Preparing welding procedure specification (WPS)
- Performing Welding Qualification Test (WQT)

# NDT/WELDING TRAINING

BIT Inspection technology is approved by BINDT for conducting Level 1, 2 & 3 courses in the following methods:-

1. PAUT (weld) - Level 1, 2 and 3
2. TOFD (weld) - Level 1, 2 and 3
3. Magnetic Particle Testing (Multi Sector) - Level 1, 2 and 3
4. Liquid Penetrant Testing (Multi Sector) - Level 1, 2 and 3
5. Radiographic Interpretation (weld - Light and Dense Material) - Level 2
6. Radiographic Interpretation (casting - Light and Dense Material) - Level 2
7. Basic Radiation Safety - Level 1
8. Radiographic Testing (Weld - Light and Dense Material) - Level 1, 2 and 3
9. Radiographic Testing (Casting - Light and Dense Material) - Level 1, 2 and 3
10. Ultrasonic Testing (Weld) - Level 1, 2 and 3
11. Ultrasonic Testing (Casting) - Level 1, 2 and 3
12. Ultrasonic Testing (Forging) - Level 1, 2 and 3
13. Ultrasonic Testing (Thickness Measurement) - Level 2
14. Visual Testing (Multi Sector) - Level 1, 2 and 3
15. Welding Inspector - Level 1, 2 and 3

# PCN NDT LEVEL 1, 2 AND 3 INITIAL TRAINING AND EXAMINATION FEE FOR YEAR 2026

| NO | METHOD           | SCOPE                        | TRAINING & EXAMINATION FEE ( INR) |
|----|------------------|------------------------------|-----------------------------------|
| 1  | PCN MT Level 2   | Weld                         | 60500                             |
| 2  |                  | Multisector                  | 82500                             |
| 3  | PCN PT Level 2   | Weld                         | 60500                             |
| 4  |                  | Multisector                  | 82500                             |
| 5  | PCN UT Level 2   | Weld( 3.1, 3.2)              | 104500                            |
| 6  |                  | Weld( 3.1, 3.2, 3.8, 3.9)    | 210100                            |
| 7  |                  | Weld( 3.1, 3.2,3.9)          | 157300                            |
| 8  |                  | Casting                      | 104500                            |
| 9  |                  | Forging                      | 104500                            |
| 10 | PCN RT Level 2   | Weld                         | 134200                            |
| 11 |                  | Casting                      | 134200                            |
| 12 | PCN RFI Level 2  | Dense Metal( Weld)           | 68200                             |
| 13 |                  | Light & Dense Metal(Weld)    | 82500                             |
| 14 |                  | Light & Dense Metal(Casting) | 82500                             |
| 15 | BRS Level 1      |                              | 53130                             |
| 16 | PCN VT Level 2   |                              | 94600                             |
| 17 | PCN PAUT Level 2 | Weld                         | 203500                            |
| 18 | PCN TOFD Level 2 | Weld                         | 180400                            |
| 19 | PCN UTTM Level 2 | Thickness Measurement        | 104500                            |

## Notes:-

1. Please note that the listed prices are exclusive of GST, and an 18% GST will be applicable to all selected courses.

## PCN NDT LEVEL 1, 2 AND 3 INITIAL TRAINING AND EXAMINATION FEE FOR YEAR 2026

| NO | METHOD                     | SCOPE      | TRAINING & EXAMINATION FEE<br>( INR) |
|----|----------------------------|------------|--------------------------------------|
| 20 | PCN BASIC Level 3          | Part A,B,C | 132000                               |
| 21 |                            | Part A, B  | 97900                                |
| 22 |                            | Part B     | 52800                                |
| 24 | PCN RT Level 3             | Part D,E,F | 148500                               |
| 25 | PCN PT Level 3             | Part D,E,F | 148500                               |
| 26 |                            | Part E,F   | 102300                               |
| 27 | PCN MT Level 3             | Part D,E,F | 148500                               |
| 28 |                            | Part E,F   | 102300                               |
| 29 | PCN UT Level 3             | Part D,E,F | 148500                               |
| 30 |                            | Part E, F  | 102300                               |
| 31 | PCN PAUT Level 3           | Part E, F  | 180400                               |
| 32 | PCN TOFD Level 3           | Part E, F  | 180400                               |
| 33 | PCN VT Level 3             |            | 148500                               |
| 34 | Welding Inspection Level 1 |            | 102300                               |
| 35 | Welding Inspection Level 2 |            | 121000                               |
| 36 | Welding Inspection Level 3 |            | 121000                               |

Course schedules are subject to modification should any unavoidable or unforeseen circumstances arise as determined by BIT management. Any such amendments will be communicated to the candidates at the earliest possible opportunity to facilitate the timely rescheduling of their programme. |         |              |                                                                                                                                                        |          |       |       |     |      |      |        |           |         |          |          |

# IMPORTANT NOTES

1. All sessions will be conducted in fully air-conditioned and well equipped class rooms.
2. Practical training will be conducted in well ventilated and proper class room rooms.
3. Refreshment Tea Breaks will be provided for the training candidates
4. Candidates will be supplied with a set of course notes and a set of working reference standards /documents for their guidance in preparation for the Examination.
5. For ultrasonic testing practical training students are encouraged to bring their own Ultrasonic Flaw Detectors / PAUT / TOFD machine and probes / cables. We will provide the required calibration blocks.
6. Please note that the listed prices are exclusive of GST, and an 18% GST will be applicable to all selected courses.
7. Course schedules are subject to modification should any unavoidable or unforeseen circumstances arise as determined by BIT management. Any such amendments will be communicated to the candidates at the earliest possible opportunity to facilitate the timely rescheduling of their programme.
8. Candidates are required to declare their experience relevant to the selected method or technique.
9. A gap analysis will be performed by the NDT trainer to identify existing competency gaps.
10. We are able to reserve seats for the upcoming training schedule upon receipt of advance payment of INR 10000( Approximately USD 117) per selected courses.
11. For recertification, retest, and supplementary examinations, please contact BIT directly to obtain the applicable fees and training schedule.

# BANK DETAILS

1. **ACCOUNT NAME:** BIT Inspection Technology
2. **NAME:** Indian Overseas Bank
3. **ACCOUNT NO:** 108502000001512
4. **ACCOUNT TYPE:** Current account
5. **IFSC CODE:** IOBA0001085
6. **SWIFT CODE:** IOBAINBB001
7. **BRANCH ADDRESS:** Ekkattuthangal branch (1085), 32, Defence officers colony, Chennai, Tamil Nadu, India, Pin code - 600 032

## Notes:-

Scammers are prevalent, and it's common for them to ask victims to transfer money to different bank accounts. If you have any concerns or suspect fraudulent activity, please contact Ms. Gowri at +9197102 31262.
